Butterfly

The name originates from the butterfly pea flower used to infuse the gin. As the butterfly evolves from a caterpillar, the drink too evolves from violet to a light purple color while being enjoyed.

Island Breeze

The bold spirit of tequila with the delicate floral notes of elderflower liqueur. Fresh lime juice adds a bright citrus kick, while almond syrup and coconut cream bring a rich, velvety sweetness. Creamy, tropical, and irresistibly smooth—this cocktail is a breeze from paradise.

A vivid fusion of East and West, this cocktail is an electric mix that plays tricks on the senses. Crisp soju meets the melon sweetness of Midori, lifted by juicy pineapple and a splash of citrusy Cointreau. A touch of vodka adds depth and balance, creating a smooth, tropical cocktail with a bright green glow and a mysterious kick.

Vodka, Jinro Soju, Midori, Cointreau, pineapple juice,

Soul to Seoul

A delicate balance of flavors inspired by the spirit of Seoul—a city where tradition meets modern energy. Fresh lemon and Limoncello bring a bright, citrus glow, while vodka and soju blend smoothly with a whisper of rhubarb's tartness. This cocktail invites you on a quiet journey from soulful roots to the vibrant heart of Korea's capital.
